

Programs That Turn Heads

Launch your future at a university where learning, energy and creativity flourish.

Lander University has strategically invested in cutting-edge, market-driven programs in today's most relevant fields—programs that command respect from employers and graduate schools alike. That's how a Lander education prepares you for the challenges and opportunities of your future.

Honors College

From unique research opportunities, to exclusive courses and presentations, to traveling the world as a Global Scholar, Lander's Honors College will elevate your overall experience and set you apart in the eyes of employers and graduate schools.

Life at Lander

Campus life is always buzzing with plenty of opportunities to connect with classmates and make friends! Enjoy a well-equipped student lounge, esports Bearcade, outdoor pool, hammock villages, disc golf course, campus fire pit, auxiliary and fitness gyms, and much more! Hungry? Grab a bite at Lander's on-campus Chick-Fil-A, Starbucks, Which Wich, P.O.D. Express or Freshens, or share a meal with friends at the all-you-can-eat Grier Student Center Dining Hall.

#cLawsUp

Lander's men's and women's athletic teams are highly competitive—many are continually ranked in the top 25 in the country. Our athletes play and practice in state-of-the-art facilities, including a 28-acre sports complex and a 2,500-seat arena. Lander's stellar reputation includes 12 national championships, 41 Peach Belt Conference championships and 70+ NCAA All-Americans.

Military & ROTC

As a member of Lander's ROTC program, you'll gain unique training and practical experience in leadership and management, preparing you for a commission as a second lieutenant in the U.S. Army, U.S. Army National Guard or the U.S. Army Reserve.

Connections That Launch Futures

Nobody puts more importance on internships and industry connections.

Each year, Lander students apply classroom concepts in real-world settings through the Experience Your Education (EYE) program. This innovative program emphasizes internships, apprenticeships and work-study, and provides valuable, practical experience relevant to students' majors and career interests.

Financial Aid & Scholarships

Lander is committed to keeping higher education affordable. That is why tuition has been frozen for eight consecutive years. And, with a wide range of scholarships, grants, work-study and student loan programs, Lander has a financial aid package for every budget. In fact, students pay an average of \$5,300 per year out-of-pocket to attend Lander.
