

## 2025-2026 U.S. Citizenship/Eligible Non-Citizen Status Confirmation

Student's Last Name	First Name	MI	Lander ID (L#)
---------------------	------------	----	----------------

We are unable to continue processing your 2025-2026 Free Application for Financial Aid (FAFSA) due to a discrepancy on your FAFSA/FAFSA Submission Summary. The Social Security Administration (SSA) or the Department of Homeland Security (DHS) was unable to confirm your status as a U.S. Citizen or eligible non-citizen. Follow the instructions below to resolve the problem.

Step 1 Check your 2025-2026 FAFSA/FAFSA Submission Summary to make sure the following information is correct:

- Question 1 - **Your last name, first name and middle initial** (Make sure the name you reported on the FAFSA Submission Summary is the same as that listed on your Social Security Card.)
- Question 1 - **Your Social Security number** reported on the FAFSA Submission Summary
- Question 1 - **Your date of birth**
- Question 13 - **Your citizenship status** (US citizen or, for an eligible non-citizen, your Alien Registration number)
- Question 24 & 29 - **Your signature - Student's spouse signature (if applicable)**  
Question 41 & 46 - **Parent signature if you are a dependent student - Parent Spouse/Partner signature (if applicable)**

If these items need to be corrected, you should do the following:

- Sign in to <https://studentaid.gov> and update your information in Account Settings. The record will be sent to SSA for matching.
- Once SSA verifies the account, you should update your FAFSA form by submitting a correction.
- You would sign in to make corrections on your FAFSA using your FSA ID at <https://studentaid.gov/h/apply-for-aid/fafsa>. Be sure to have your contributors sign electronically using his/her FSA ID if you are a dependent student.
- Alternatively, you could make corrections on your paper FAFSA Submission Summary if you received one and mail it back to the Federal Processor (address listed on the FAFSA Submission Summary).
- The student must contact the Federal Student Aid Information Center (FSAIC) at 1-800-433-433-3243 and ask them to manually sync their data with SSA.
- Alternatively, if the student notifies the school that they received confirmation from SSA, the FAA may update the Resend to Matches field to "Y" in the FAFSA Partner Portal and submit it as a correction so the transaction can go back to SSA for an updated match flag.

If this step resolves the problem and you receive a valid FAFSA with a calculated Student Aid Index (SAI), no further action is needed. If this does not resolve the issue, proceed to Step 2.

Step 2 You will need to complete the information below and provide the Lander University Financial Aid Office with proof of your US citizenship or eligible non-citizen status. Check the category listed below and take the appropriate action.
