Returning Student Room Selection for 2025-2026

Step 1: Start your Housing Application – Priority Deadline of February 26

Log in to MyLander. Then click on Housing Portal – Application - Select the term 'Academic Year 2025-2026'. The application will walk you through each step and will stop on Roommate Requests step. Be sure to agree to the terms of the contract and pay the non-refundable \$200 Housing Application fee. The deadline to pay this fee for priority room selection and receive a timeslot is **February 26**.

In this step, you and your peers are allowed to search for a roommate, create a Roommate Group name, request to be someone's roommate, and accept roommate request invitations. *A Roommate Group consists of you and one other student*. Your application will allow you to review other students' profiles (created by answering the roommate questionnaire) and communicate with potential roommates to determine compatibility before inviting them to be a part of your Roommate Group. In order to request a roommate you will need to know their "Screen Name", which is the prefix to their Lander email address. It is important to have your roommate request submitted and accepted prior to room selection, so you can look for a space for you and your roommate. Only mutual requests will be considered. Once you are a part of one Roommate Group you can't join another.

Step 2: Timeslot Notification – March 4

On March 3 your timeslot will be sent to your **Lander email** address. Only those returning students who have paid the \$200 Housing Application fee by the March 1 deadline will be eligible to receive a timeslot. Your timeslot is the day/time you will be able to log in and select a room in the Housing Portal. The day and time of your specific timeslot will be based on your **HOURS EARNED**. Those students with the most hours earned will have the earliest timeslot.

Step 3: Room Selection- Timeslots Open – March 11-13

Timeslots will run from Tuesday, March 11– Thursday, March 13. You do NOT have to log in at the exact time of your timeslot. Feel free to log in after this time if you have a conflict. Your timeslot will not expire. However, you will not be able to log in to select your room BEFORE your time ticket opens and the Housing Office can't adjust it for you.

Once your timeslot opens you will want to log in to your application and complete the *Room Selection, Meal Plan, and Confirmation* pages. You will not be able to see these pages until your time ticket starts. Once you have completed these three pages your housing application will be complete.

*If you have a Roommate Group you will be able to assign the student in your group to a room at the same time you assign yourself.

Frequently Asked Questions

I don't have a credit card to pay the \$200. What should I do?

We recommend that you purchase a pre-paid VISA card. This will allow you to pay the fee online. Payment with a check is also an option.

What are the single room options for upperclassman on campus?

Bearcat Village has some single rooms and Thomason is single only. In Bearcat Village the singles are found in Buildings K, F, C and L. Those rooms that are singles will have the word 'Single' beside them. Also, a few in Bearcat Village have half bathrooms and those with the half bathrooms will be indicated with 'Half Bathroom'. I want to live with my friend(s). How does this work? What is a Roommate Group?

When you select your room you can assign up to 1 friend to live with you in any open double occupancy room. This friend must accept the invitation to be a part of your Roommate Group in the application on the 'Roommate Requests' step prior to you selecting your room. When your timeslot opens you will be able to make not only your room assignment, but also the room assignment for the other student in your Roommate Group. The friend with the earliest timeslot will likely make the room selection for the group. Once your timeslot opens and you are in the Room Selection step you will select the bed you want to assign yourself and the student in your Roommate Group. Then on the next step you will assign the rooms by using a drop down box by the persons' name. You MUST assign them to the same room and or apartment as yourself.

Please note: After you make their room assignment their application will NOT be complete. They will need to log in at their time ticket to select their 'Meal Plan' and complete the 'Confirmation' page.
